

CONTRACT PERFORMANCE DATA SHEET

INSTRUCTIONS: Please complete the data sheet for each contract and/or subcontract performed during the last 2 (*fill in*) years for the same or similar work required by the solicitation (in terms of scope, complexity, type of products, quantities, delivery modes, performance periods, delivery schedules, quality requirements, etc.) The contracts and/or subcontracts submitted should have at least one year of performance history. The contracts may include efforts undertaken on behalf of the Defense Fuel Supply Center, other Federal agencies, including those performed for non-DoD activities, quasi-government organizations, state or local governments, and/or private industry.
